ABOUT US

KHALIFA CONSULT SDN. BHD. (1160281-X) is a wholly owned Bumiputera Firm and was established in 2015 as a Consulting Firm to provide Engineering Consulting Services to the Customers. The Customers includes Governments, Regulatory & Statutory Bodies, Architects, Developers, Turnkey Contractors, Project Management Teams, Private Companies and Individual Developments. The firm is registered with the Board of Engineers, Malaysia (BEM), Ministry of Finance, Malaysia (MoF) since 2016, Petroliaam Nasional Berhad (PETRONAS) since 2018, other pertinent GLCs and private sectors.

We provide civil & structural engineering consultancy services Clients / Customers that encompass building, maritime structures, dredging & land reclamation, coastal protections, geotechnical, foundation & slope engineering and infrastructure design works. Our particular specialization includes high rise construction and building projects utilizing structural steel works and reinforced concrete structures.

The types of role that we can also undertake include providing ad-hoc Civil & Structural advice as well as package civil & structural preliminary arrangements. Few of the projects that we have works on have been on a collaborative basis, partnering with lead consultant and providing as practice and resources to cover peaks in workloads. Nevertheless, the Firm intends to be a partner for Clients / Customers, who is in the need of good Civil & Structural engineering advice or value engineering assessment and design.

Our aim is to service repeat business from clients by providing added value services in responsive and friendly manners.

MISSION

To serve our clients by providing the highest quality professional services that addresses their business needs. We attract, recruit, and retain the most knowledgeable and passionate professionals, and we provide a collaborative. Ensure Quality, Reliability and the state-of-the-art technology treatment form as the integral facets in all our activities via continuous learning, exposure and assessment.

VISION

To be the most trusted and respected professional services firm recognized by our clients for delivering excellence.
